**P.J. O'Rourke**

With more than 1 million words of trenchant journalism under his byline and more citations in *The Penguin Dictionary of Humorous Quotations* than any living writer, P. J. O'Rourke has established himself as America's premier political satirist. He is the best-selling author of 15 books and both *TIME* and the *Wall Street Journal* have labeled O'Rourke "the funniest writer in America."
